

The Hortiv logo is displayed in a bold, white, sans-serif font.

BY MEGALIGHT ISRAEL

The background of the advertisement features a dark setting with various plants. In the top left, there are green cannabis leaves. In the bottom right, there is a cluster of red and green leafy vegetables. The central focus is a large, rectangular LED light fixture, identified as the 'Hortiv Greenhouse Supplemental - 3 Bars'. This fixture is composed of three parallel bars, each densely packed with small, square LED chips. It is suspended by four black cables. Three circular inset images provide different perspectives: one shows a single bar, another shows two bars, and the third shows the three bars together, highlighting the fixture's modular design.

GREENHOUSE SUPPLEMENTAL - 3 BARS

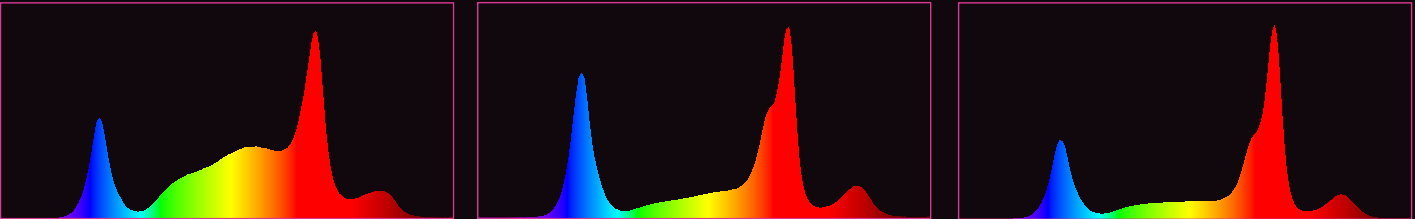

360 Watts | RMH 155 cm | Lens Equipped
Same Spectrum • Less Energy Consumption
Energy Efficient & Even Light Distribution

Customizable Recipes

Spectrum	Fixed Customized Recipes
Dimming	10-100%
Control	On-driver Knob / Megalight PC Software / Megalight External Controller / Customer External Input
Connectivity	Wireless LoRa / RJ12
PPFD	450 PPFD
Footprint @ RMH*	1.2 m * 1.2m @ 155 cm

*Recommended Mounting Height Above Canopy

Light Source	Osram & Seoul LEDs
Lens angle	60 degree
Lifespan	>50,000 hours

Mounting	Universal Adjustable Hanging Included
Dimensions & Weight	112.5 x 16 x 9 cm 7.1 kg
Ingress Rating	IP65
