

Jiffy Pot Sleeve

JIFFY POTS

A sustainable solution

Are you looking for a sustainable solution to make your plants, grown in Jiffy Pots, look more attractive and consumer friendly? Then the Jiffy Pot Sleeve is the perfect solution. The sleeve is plastic-free and made of compostable paperboard. It strengthens the Jiffy Pot and can even stay on the pot when the plant is potted into the soil.

Create your own design

The Jiffy Pot Sleeve reduces in-store waste significant; less dehydration and damage due to consumer handling. On top of this you can create your own design, making it fit your product line.

All these advantages make the Jiffy Pot Sleeve the perfect solution for any professional grower who wants to grow his plants in a sustainable way. The Jiffy Pot combined with the sleeve result in a plastic free and custom-made marketing tool to grow your plants in.
